* = Less than \$100,000

** = CCC Loan

*** = Desalt Plant

+Israel received an additional \$28 million in counter terror funds in 2002.

= Includes \$1.92 billion in regular military assistance and \$1.2 billion for implementation of the [Wye Agreement](#).

@ = ESF was earmarked for \$960 million for FY2000 but was reduced to meet the 0.38% rescison.

= Money for counterterrorism that must be spent in U.S.

^ = Congress voted to cut foreign aid across the board by 0.65%.

TQ = Transition Quarter, when U.S. fiscal year changed from June to September.

Loan guarantees are not considered foreign aid so the \$7.9 billion in guarantees have been excluded from this table (see [Loan Guarantees for Israel \[table\]](#)). This table also excludes funding for certain other projects the CRS does not consider foreign aid, such as the \$180 million for the research and development of the [Arrow missile](#).
